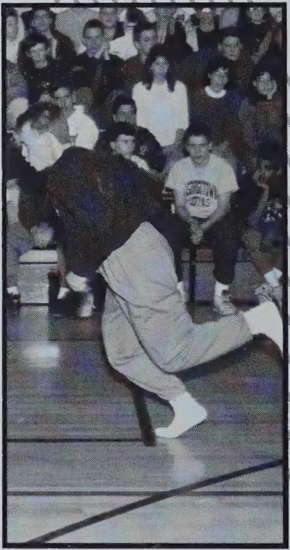
1991 Aftermath

OUT ON THE Edge

OUT ON THE Edge

The 1991 Yearbook staff decided that our yearbook theme would be "**Out on the Edge.**" We chose this theme because we feel that now that our high school years have ended we are "peering out over the 'Edge'" of what our futures may hold. And because now that the comfort and the security of our high school years are over, we are faced with the challenge of cutting our own "Edge" in the world.



As we leave the halls of Millbury High and begin our journey into the "real world," we face an uncertain future. Yet we feel confident in the razor sharp "Edge" our education has fashioned in our minds. We now look forward to helping those before us shape what we hope will become an even greater society for those who will follow us "Out Over the Edge."

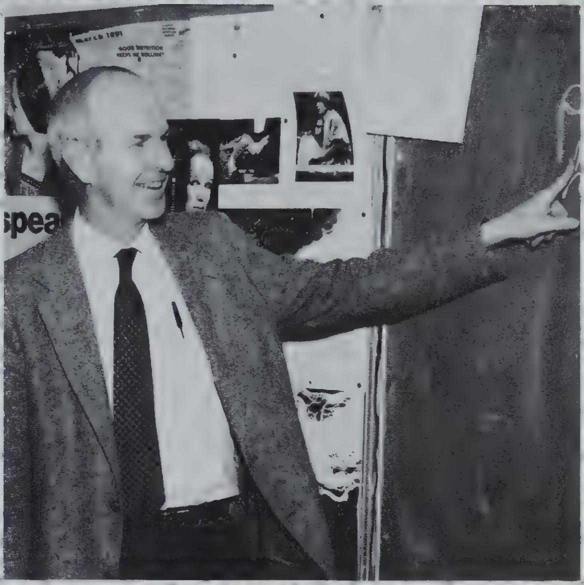
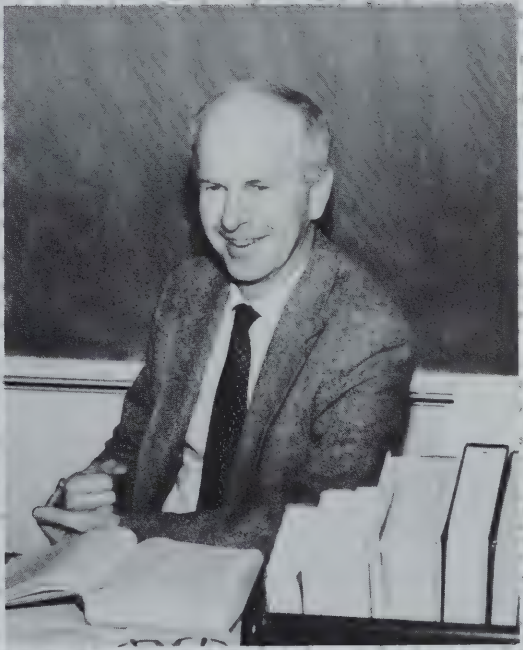
Mr. Paul Clancy

Mr. Paul Clancy has been an English teacher at Millbury Memorial High School for the past 19 years. He went to school at the Sacred Heart Academy in Worcester and then went on to further his education at Worcester State College to become the teacher he always wanted to be.

Mr. Clancy's advice for the graduating class of 1991 is: "Have the courage to use the skills you possess, the initiative to improve them, and the flexability to adjust them."





Mrs. Suzanne Kuusisarri, Office Secretary
Ms. Donna Lannon, Office Secretary
Mr. Dennis Leonard, Math
Mrs. Anna Lewandowski, Reading Dept. Head
Mr. Husdson Matson, P.E.

Mr. Frank J. Morrill

Mr. Frank J. Morrill has been a teacher at Millbury High School for 19 years. He teaches Environmental Studies and U.S. History. He had first started out as a chemist because he had not always wanted to be a teacher.

Mr. Morrill was an undergraduate from Worcester State College and soon became a graduate from the University of Buffalo.

Mr. Morrill is a good friend as well as a good teacher. He has coached track, helped to make student government day possible, and has also helped out at many school functions.

When asked if he had any advice for the graduating class of 1991 he answered: "Work hard for your future, it comes upon you quickly."

Mr. Richard McGrail, Special Education
Mr. Thomas Mongeon, Librarian
Mr. Frank Morrill, Social Studies Dept. Head

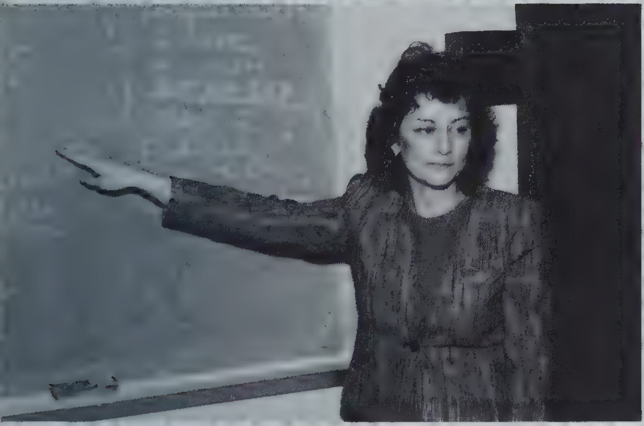
Mr. Thomas Murray, Guidance
Mrs. Julianne Myers, Special Education
Mr. Michael Nagy, Band

Mrs. Frances Dupont

For the four years at Millbury High School, many of us have had the pleasure of knowing Mrs. Fran Dupont. Not only does she teach computer programing, Algebra I, and Algebra II but she is also a very active member of the faculty especially with advising the Student Council.

She started 22 years ago teaching at Millbury High School, but teaching was not what she always wanted to do. Among her life ambitions were to become a doctor or to open a nursery school because she has a passion for children. Thankfully she attended Worcester State College and later WPI where she obtained her masters and finally settled down into teaching.

A great personality and her enless energy makes Mrs. Dupont a vital part of the High School. She will always be a fond memory both as a teacher and a friend. Lastly, Mrs. Dupont wishes the graduating class to "Be kind! Be happy! Be safe!"



Mrs. Donna Saucier

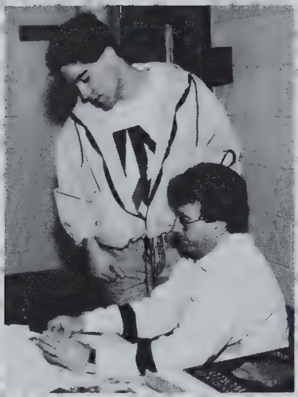
Mrs. Donna Saucier has been a valuable friend to the class of 1991. She received her B.S. in Business and Education from the University of Connecticut, her M.A. from Assumption College, and also stared her M.B.A. at Anna Maria.

Mrs. Saucier has not always wanted to be a teacher. In fact, as a student at Burncaoat Senior High, she never thought that she would become a teacher. It just shows how your interests change between high school and college.

Since starting at M.H.S. she has taught shorthand and typing but now her area of concentration is accounting and computers.

Mrs. Saucier's advice for the graduating class of 1991 is: "Get a good education, see the world and its people and enjoy life before settling down. Life is too short so live it to its fullest!"

Mr. Eugene Genese



The yearbook staff of 1991 would like to thank you for everything you have done for us to make our yearbook possible. You have lead us down a long and winding path with great ability We appreciate you greatly and we thank you from the bottom of our hearts.

Mr. James O'Leary, Science

What A Great Group

It is always difficult to put together any sized group of "volunteers" that are willing to sacrifice their time and efforts for a common good. However, the 1991 year yearbook staff seemed to defy this idea right from the very start. Enthusiastic and most cooperative, the 1991 yearbook staff set out to put together one of the finer yearbook productions that it has been my privilege to be an advisor to. And to that extent, and as you can plainly see, they succeeded in their efforts.

As their advisor, I would like to take this time to thank all members of the staff for their splendid help and cooperation in putting together what I feel is a "great Yearbook." I would especially like to thank those staff members who stayed with me right down to the last day of page preparation. In that regard special thanks, as well as a job well done salute to Editor in Chief Gail Mattrick who, along with Barry Bacon and Eric Nielsen, stayed with the production of the yearbook until the end.

Members of the 1991 Millbury High School Yearbook staff included the following seniors. Editor in Chiefs Gail Mattrick and Jayne Davolio. Business Manager Tracy Zeek. Senior Section Editors Monica Gaboriault and Mara Glinski. Clubs and Activities Editors Diane Nordstrom, Candia Neiduski and Christine Simonds. Sports Editors Barry Bacon and Eric Nielsen. Photo Editor Donna Whitten. Special Assistant Editors were Brenda Berthiaume, Stacy Breeds and Michelle Dubuqe. Many thanks to all those mentioned above as well as any unintentionally omitted for their contributions.

JUNIORS IN WASHINGTON D.C.

On May 5th through the 9th Mr. Desrosiers' U.S. Honors History class had the honor of representing the state of Massachusetts in the National Bicentennial Competition on the Constitution and Bill of Rights in Washington, D.C. It can honestly be said that this competition has furthered everyone's knowledge on the government and the Constitution.

The day of the competition came on March 19th, 1990. There were two schools competing in the state finals, our school and Arlington High School, who was the runner-up when the last group of juniors went to Washington two years ago. That day we impressed the judges and edged out Arlington to gain the right to go to Washington to compete nationally. The entire class was overwhelmed by the honor, but our work was not over yet. Two days after we won, we received the questions for the competition in Washington. We had a month to prepare for the trip.

Our trip was not without problems, however. One was financing the trip. Our class was taken back by the generosity of the community to give so much to make this trip possible. Over $8000 was raised in just one month.

There was another problem that arose. We were scheduled to leave for Baltimore on the afternoon of May 4. Many will recognize that particular date because it was the night of the Junior Prom. Luckily, Mr. Desrosiers was able to work it out so that we would leave early on Saturday morning.

Washington was unbelievable. We competed at Fort McNair on Saturday, then again on Sunday morning. Otherwise, we were considered tourists. Some of the more memorable aspects of the trip could be the "wave" we started at the Washington Monument while waiting in line to travel to the top. Also, we had the pleasure of meeting Senator Ted Kennedy, Senator John Kerry, and Representative Joe Early.

OUT ON THE Edge

A NEW ERA

The boys' soccer team finished third in the SWCL with a league record of 5-3-2, and an overall record of 7-6-4 under first year head coach Nick DiCarlo. Despite playing above .500, they lost four games by one goal while tieing three district-quality teams. The highlight came at the end of the season when the team had a chance to make districts by winning their last two games. They upset David Prouty 1-0, but unfortunately were defeated by Oxford 1-0 in a hard fought effort.

This year's leading scorers were senior Mike Luby (10 goals), juniors Scott Anderson (8 goals) and Kevin Hanson (5 goals). Senior sweeper Andy Pojani, defensemen Mike Luby and Ross Pease, and halfbacks Josh Snow and Eric Nielsen will be sorely missed next year.

SIGNS OF SUCCESS

▲Amy Millett, Darla Pokraka

The talent within the girls' soccer team was not able to be truly appreciated this season. Their rugged schedule challenged their talents and helped them to their best efforts. A total of eight teams on their schedule qualified for district play and four teams were Division I programs. Despite this, the girls had a tremendously strong performance against Doherty and Holy Name. Through it all, a strong soccer program was observed to be solidifying.

Even with the loss of senior Darla Pokraka as a scoring threat, and the tenacious defense of senior Cyndi Ward, the returning team promises to be equally as strong. Regrettably, health problems forced senior Brenda Berthiaume out of service during the important mid-season schedule. The underclassmen will miss these three seniors next year.

HARD WORK SHOWS THROUGH

The 1990 varsity football team had its best showing in recent years, with a 3-6 record, including wins over David Prouty, Hudson Catholic, and West Boylston. The team's hard work, dedication, and love for the sport began to show through and proved to many people that Millbury had a successful season.

This year's team was led by a fine group of seniors, including Derek Willand, Joel Karsok, Mike Lavallee, Mike Pappas, and George Pollisack. Even though their record doesn't show it, this year's football team placed their best effort into each game. These seniors will surely be missed, and wish good luck to future teams.

A STRONG SHOWING

The 1990 volleyball season was a rebuilding year for the varsity. Eight seniors had to be replaced. By mid-season, the varsity played very competitively, winning one match and playing several three game matches.

The team was led by senior captain Kris Jones, and relied on the steady serving and playing of Jodi Sulham, Cheryl Godbout, Pam Credit, Kris Boire, Sarah MacConnell, and Amy Credit.

The junior varsity team had a strong 7-5 record. Two consistent players for the J.V. were captains Ami Sulham and Erin O'Leary.

RUNNING FOR ALL TIME

The 1990 Boys' and Girls' Cross Country teams put in strong performances. Both teams were young and inexperienced, but received good coaching from Robert Nicoletti.

The Boys' team had a 0-14 record, but many of the losses were close meets. This hard-working team was led by senior co-captains Barry Bacon and Brian Tift. Senior Justin Auciello was also a strong presence.

The Girls' team had a 6-7 record, with strong performances by all members. The girls were led by senior captain Jane Tuttle.

The seniors on both teams will be missed, but have left their experiences with the younger runners. The young emerging stars include Christine Roy, Kelly Clark, and Carrie Decoteau for the girls, Kenny Washwell, Erik Nasynnik, and Joe Noel for the boys.

A NOTEWORTHY ACCOMPLISHMENT

The Boys Varsity Basketball team continued its success under Coach Ron Dunham. They finished with a record of 18-3 and captured the SWCL title. The team was led by the hard work of Seniors Andrew Pojani, Mike Luby, and Justin Auciello. This team utilized their height and strength on both ends of the court when battling opponents. Rising stars such as Bryant Richards, Shawn Kehowski, and Keith Jacobson showed their tenacity all season on the court.

REBUILDING FOR THE FUTURE

The Girls Basketball team completed yet another rebuilding year, finishing at a 3-15 record. The team improved in skills and teamwork as the season progressed. An extremely young team, the Lady Woolies had only two upperclassmen, Senior captain and MVP Krissy Jones, and Junior Jodi Sulham. The hard working and young team with Sophomores Jess Woodward, Amy Millet, and Melissa Diguette, Freshmen Andrea and Heather Notidis, Ami Sulham, and Patti Nielsen, along with the patient coaching of Robert Niccoletti will be looking forward to capturing greater victories in the years to come.

Boys and Girls Indoor Track

This was a rebuilding year for both the boys and girls indoor track teams.

The boys team finished third in their league with a 3-3 record. The team was led by Seniors Barry Bacon, a dedicated and experienced long distance runner; Eric Nielsen, who set the school record in the 45 yard dash; and Brian Tift, a consistent and valuable middle distance runner. There were great individual efforts by the experienced Seniors and rising underclassmen. The devotion and leadership that Barry, Eric, and Brian portrayed will be missed.

The girls team finished a good season even though they had one Senior, Darla Pokraka. This young team finished third in their league with a 3-3 record. Darla proved to be a strong, all-around leader for this young team.

Success seems evident for both teams as they will be stronger and more experienced in the next few years.

A GREAT START

This year's Varsity Baseball team performed as has been expected although their efforts fell short in the end. This year's team ended with a record of 17-5 under rookie coach Doug Stepien and captured the S.W.C.L. league title. With the strong pitching and batting of Seniors Mike Luby and Dereck Willand, and the vivacious play of catcher Robert Polselli, the Woolies were able to soundly beat many teams. Outstanding individual efforts were turned in by Seniors Mike Couture, Mike Pappas, and Joe Dana.

With many returning players next year, this team should do no less than what was accomplished this year. A large number of Juniors, including pitcher Kevin Murray, Scott MacDonald, and Chris Diguette, will aid this team to future fame. Surely, this year's Seniors will be missed although their experience has helped their team become a very successful squad of dedicated players.

A COMMENDABLE EFFORT

The Girls Softball team completed the season with a record of 10-10. A rebuilding year for the Lady Woolies, the team improved as the season progressed, beating every competitor the second time around. The Senior captains were Krissy Jones, shortstop; Brenda Berthiaume, first base; and Pam Nichols, left field.

As with other Millbury teams this year, underclassmen made up a majority of the roster. Juniors Jodi Sulham and Jodi Donovan will carry the team next year in hopes of regaining the S.W.C.L. league title.

MILLBURY TRACK CONTINUES ITS SUCCESS

The boys track team finished a strong second in the S.W.C.L. with a 9-4 record and placed seventh in the District meet. This year's team was led by a core of experienced Seniors, who included Justin Auciello, Barry Bacon, Phil Carpenter, Joel Karsok, Eric Nielsen, Mike Lavallee, Ross Pease, and Brian Tift. Their experience carried the team; individual efforts such as Justin Auciello's school record in the discus, Eric Nielsen's top performances in the 100, 220, and long jump throughout the season, and Robert Turner's plus-40 foot throws in the shot put helped Millbury to a very successful season. In the future, look for the young long distance to improve and become some of the best in the league, thanks to the hard work and experience of Barry Bacon to help them along. This track team should continue to fare well in the future.

The girls track team saw their most successful season in recent years due to the team's hard work and dedication. This young team, led by lone Senior Darla Pokraka, who broke the school record in the shot put, finished with a respectable 6-5 record. This team should also fare well in the future; the experience of its young members now will benefit the team in future seasons. Look for this team to become even more successful over the next few years.

Founded in September, 1991, Mr. Scott Healey created the Millbury High School Video Club which meets during activity periods. The president is Donna Whitten, the secretary is Derrick Schonborg. The Video Club has done the Diet Pepsi tryouts and the Graduation. The Club was set up to do things such as make videos and tape things, then display them for others to view.

WOOD-CRAFTS CLU

Mr. Battye, Mr. McGrail, Mark Gemme, Andrew Hanson, Patrick Sullivan, Jim MacDonald, Carlo Ianniccheri

The Wood-Crafts Club was formed as an exploratory effort for students who could not be scheduled into High School Wood Technology. There are no requisites for membership, except the desire of woodworking. Students work from a preconceived plan developed by Mr. Battye and Mr. McGrail. Projects range from an attractive indoor birdhouse to a colonial clock. The basic materials are provided by the school, but "extras" are purchased by the students.

The History Club has been active in a variety of activities this year, including the Model Congress, the Citizen Bee, and support of Operation Desert Storm. With the help of our advisor, Mr. Roger Desrosiers, we had fundraisers to send packages to local soldiers who have served in the Persian Gulf.

One of the most memorable events that we supported was the tribute to our soldiers serving in the Gulf on January 15th. The class officers are:

Stephanie Groccia, Daniel Bendix, Sean Johnson, Shamus J. Hamill, Keith Jachobson, Shirley Welch, Wendy Salo, Stacy Sinclair, Tonia Maestas, Chris Moore, Lisa Warner, Kerri Rawlston, Lori Miller, Amy Murphy, Mrs. Stephien

The Crafts Club is an organization of students interested in learning a variety of craft techniques to enhance their personal creative abilities. This year, students chose this club as a place to learn needlework skills; assisted by Mrs. Stepien and Mrs. Graves, students began with counted cross-stitch projects and latch-hook pieces. Some of these projects were short term; others continue throughout the year.

Another popular yearly activity of this club is creating tie-dye projects. Students enjoy experimenting with the different tying methods and color combinations to achieve different effects.

At the end of the year, many successful projects are displayed at the annual Project Fair.

The Millbury High Chorus has proven to be one of success and talent during the 1990-1991 school year.

Our Chorus performed for Christmas Concert and our annual Spring Concert. We also performed for the Providence Nursing Home in Millbury during the week of May 12. Everyone participated with enthusiasm and they were well received. Our soloists included Jayne Davolio, Mark Imbody, and Amy Rocheford.

The Chorus, under the direction and guidance of Mrs. Canali, chose the senior class song, "Give Me Wings." It was performed on Graduation Day. This special song is a powerful popular ballad by David Sprunger and proved to be a favorite with everyone.

The 1990-91 school year has been a year of change and growth for the Millbury Jr. Sr. High School Band. This year the marching band placed 2nd in the Small School Division in both the Worcester Columbus Day and Saint Patrick's Day Parades. The marching band also traveled to Florida during April vacation. There they also performed.

A small worldwide group and a stage band, both of which performed at the Spring Concert and other organizations in town. Sarah MacConnell and Sandra Nikolajevs auditioned for and were both accepted to play in the Massachusetts Music Educators Central District and Orchestra. Sandra was also recommended to audition for the MMEA All-State Orchestra, which she was accepted to play in.

The S.A.D.D. group at MHS has had yet another active and successful year promoting drug and alcohol awareness. On Nov. 30th, 1990, S.A.D.D. held a dance and on March 15th, 1991, the annual Lip Sync Contest proved to be quite an entertaining and enjoyable evening.

As always during the pre-holiday season, red ribbons were passed out to faculty and students as a reminder to have a safe and happy holiday season.

During the activity period on Oct. 8th, two clients from the Spectrum House, a drug and alcohol rehabilitation center, spoke to students about their experiences and recovery from drug and/or alcohol abuse.

Included herein is some information concerning the final plans of the Millbury High School Class of 1991. A total of 92 students were graduated on June 2nd. Seven students who did not meet graduation requirements are omitted from the statistics below. At least several of these students will be awarded diplomas upon completion of course work in Summer School. Last year 73% of the class went on to some form of post high school education whereas 63% of this year's class is pursuing some form of post high school education. Also noteworthy is the increased number of students entering the military — up to 10 (11%) from 3 (3%) from last year's class. In fact, one would have to go back prior to 1983 to find as high a percentage of our graduates entering the military. The class of 1988 with 7% of graduates entering military service would be the class with the figure which most nearly approximates this year's class. In most other years, it is well under 5%.

Breakdown of the class is as follows:

Undecided	—	1 (1%)
Military	—	10 (11%)
Employment	—	23 (25%)
Education	—	58 (63%)

IN MEMORY OF DONALD A BALLARD III

A poem by Robert Polselli Jr.

"Together at Last"

Once upon a time
in a land far away,
Their dreams were sublime
and feelings at play

In this land of awe
there dwelt such a pair,
That were void of all flaw,
they were sister and frere.

Long they would play
so closely they were,
'til dusk they would stay
He watched over her.

Knowing not what they had
together for years,
Joyous and glad
not foreseeing the tears.

One faithless day
did that horror occur,
that took him away
and left only her.

This loss of her bud,
drew so much sorrow,
feelings like a flood
vanquished cares of tomorrow.

Frequent she'd pray
for her brother's return,
away he would stay
though she desperately yearned.

Much time has passed
since the day he had gone,
visions surpassed
like a crystalline pawn.

With hopes that someday
they would meet again,
her feelings at play
much like they were "then."

In heaven they'd find
though much time had passed,
they're sorrows confined . . .

Together at last!
